To whom it may concern,

Thank you for giving us the opportunity to provide feedback in regards to the proposed regulation changes.

We are in favour of the proposed changes outlined in option 2 although we propose changes as outlined below;

1. The one change we would like amended is that the (Part 1, Regulation 9(2)) responsible officer is extended to 5 years, meaning the Management plan needs to be signed off by ESV on a 5 year basis similar to - Part 1, Regulation 9(3) and Part 1, Regulation 10(2)

If would like further clarification please contact me on the below numbers.

Regards
